POLICE COMMITTEE
September 2, 2025
Rescheduled Meeting Minutes
Police Department Training Room
1710 Plainfield Road

1. Call to Order

The meeting was called to order at 6:05 p.m. in attendance were Chairman Joseph Kenny, Alderman Ralph Stompanato and Chief Greg Thomas.

2. Public Comment and Communications

No public comment or communications.

3. Approval of Meeting Minutes from July 21, 2025

Alderman Stompanato motioned to approve the minutes seconded by Alderman Kenny. The minutes were approved.

4. A motion for the expenditure of budgeted funds to replace worn and damaged cabinets, sinks, etc., in the evidence room in the amount of \$22,979.

Chief Thomas advised that funds were approved in this year's budget to replace the worn evidence room cabinets, sink, etc. which are over 20 years old. Albrite was the lowest qualified bid. A discussion ensued regarding the bidding process.

Alderman Stompanato motioned to approve seconded by Alderman Kenny. The motion was approved.

5. A motion for the expenditure of Equitable Sharing funds to establish an eligibility list to hire police officers to fill anticipated openings not to exceed \$12,000.

Chief Thomas informed the committee that the department established a police officer eligibility list one year ago and the list is now exhausted. We only hired one person off the list. The department is down five officers so there is a need to hire more officers as soon as possible. Chief recommends using I/O Solutions to help with the establishment of the list. We have used them many times in the past and they have done a very good job. They were also the lowest qualified bid.

Alderman Stompanato motioned to approve seconded by Alderman Kenny. The motion was approved.

6. **A motion for the expenditure of budgeted funds to enter into a (3) year agreement for the purpose of updating the public notification system in the amount of \$15,031.**

Chief Thomas advised that the police department is currently using Muni Web for our public notification system. He explained why it has not been very reliable and needs to be replaced. This was a budgeted item. The public will need to sign up for the new system once purchased.

Alderman Stompanato motioned to approve seconded by Alderman Kenny. The motion was approved.

7. **A motion for the expenditure of Cannabis Funds to purchase a DJI M4TD drone in the amount of \$11,786.55.**

Chief advised that he would like to pull this item from the agenda because the companies are not able to provide the drones at this time. There is no reason to approve a purchase that we can't make.

Alderman Stompanato motioned to table this item for a future date seconded by Alderman Kenny. The motion was passed

8. **A motion for the expenditure of Cannabis Funds to purchase a 2026 Dodge Durango Pursuit AWD Sport Utility vehicle from Napleton Fleet Group in the amount of \$41,324**

Chief informed the committee that he would like to pull this item from the agenda too. This vehicle was going to be used as a second drone car. Due to the inability to purchase any drones right now, he does not want to purchase the car.

Alderman Stompanato motioned to table this item, for a future date seconded by Alderman Kenny. The motion was passed.

9. **An ordinance authorizing the sale or disposal of surplus property**

Alderman Stompanato motioned to approve seconded by Alderman Kenny. The motion was approved.

AGENDA MEMO

Police Committee

October 20, 2025

ISSUE STATEMENT

A resolution authorizing the purchase of a small Unmanned Aerial System (sUAS), DJI M4TD drone from Drone Nerds in the amount not to exceed \$13,500.

BACKGROUND/HISTORY

Currently, Darien Police Department has four drone operators and one drone. After a successful two years (approximately) of drone usage and a law update, loosening law enforcement restrictions, staff is looking to expand the program.

Since the inception of the Darien Police Department's drone program, we have consistently demonstrated the utility and effectiveness of the department's drone. The drone provides the ability to canvass large areas in a short amount of time and provides thermal imaging, which greatly supports low-light and no-light engagements/incidents. The drone program is seeking two additional drones (two different purposes).

DJI "Matrice" M4TD

The DJI M4TD is an enterprise-level commercial drone designed for sustained flight while offering the latest technology in thermal optics, camera and video, and battery efficiency. The M4TD is the second generation of the department's current DJI M30T, which is already extremely capable. The M4TD offers a lower price point than our current M30T, yet offers more advanced software and technology. It will be a great addition to complement the current drone program.

Staff sought bids from a few vendors, and Drone Nerds is our recommended choice.

Account Number	Account Description	Balance 09/30/2025	Proposed Expenditure

STAFF/COMMITTEE RECOMMENDATION

Staff recommends approval to purchase the drone from Drone Nerds for the purpose of adding to the number of sUAS available to the department, in the amount not to exceed \$13,500.

ALTERNATE CONSIDERATION

As recommended.

AGENDA MEMO
Police Committee
October 20, 2025

ISSUE STATEMENT

A motion accepting the expenditure of Cannabis Funds for the purchase of a 2026 Dodge Durango Pursuit AWD Sport Utility vehicle from Napleton Fleet Group in the amount of \$41,324.00.

BACKGROUND/HISTORY

Currently, Darien Police Department has one squad car upfitted for the dual purpose of patrol and the sUAS (small unmanned aircraft system or drone). The Department has four officers assigned as sUAS pilots/operators and is seeking to expand the sUAS fleet. Typically, two officers are assigned a patrol car to share while working opposite shifts. This helps reduce wear and tear on a vehicle and allows for greater longevity of equipment.

Adding a second patrol car, will not only reduce wear and tear but also increase the availability of the sUAS to the community.

The state’s bid for the 2026 Dodge Durango Pursuit AWD Sport Utility was granted to the Napleton Fleet Group based in Oakbrook Terrace, Illinois. This price is reflective of that bid.

This request does not include the upfitting for this patrol car, and that request will be forthcoming if/when this request is approved.
