**HOT TUB BUILDING CODE COMPLIANCE REQUIREMENTS**

Address: \_\_\_\_\_

The submitted permit has been reviewed for Building Code compliance, and based on the information contained herein, we comment as follows:

**Your Hot Tub permit may be issued, however, we recommend that the applicant agrees to comply with the requirements noted below by signing this review and making it part of the permit documents.**

**This review shall not constitute authority for, nor approval or waiver of any violation of the provisions of the Building and Zoning Codes, and regulations of the City of Darien.**

1. Provide a brochure or specification of the hot tub.
2. Hot tub area must be enclosed with a 4' high fence or Hot tub must have a locking cover when not in use.
3. Indicated how hot tub is to be supported.
4. Permanent electric services shall be hardwired in underground conduit and protected by a dedicated G.F.I. circuit and filter.
5. All electrical work must comply with the 2014 National Electrical Code.

**Required Inspections – call 630-353-8115**

**HOT TUB**

- A. Pool/Hot Tub Electrical
- B. Hot Tub Final – Must have fencing or cover for hot tub.
